Per the suggestion of Mr. Andrew Muniz, Chief of Pharmacy Field Operations for the Veterans Health Administration, I am requesting under the Freedom of Information Act a current listing of all VA hospitals, clinic centers, and community based clinics. Similarly, if a directory of the staff at these facilities is available, I would like to have that information as well.

Please send to:

Dear Sir:

This responds to your Freedom of Information Act (FOIA) request dated October 6, 1996, regarding a listing of all VA hospitals, clinic centers, and community based clinics.

The information requested is contained in the two documents enclosed.

We hope this information is helpful.

Sincerely,

Celia Winter
